EGPD SEARCHES FOR TWO AT-RISK MISSING JUVENILES

ELK GROVE, CA – The Elk Grove Police Department is asking for the community's help in locating two siblings who are missing from their Elk Grove residence. The two siblings, 9-year-old Victoria Keller and 12-year-old Destiny Keller (photos attached) are considered at risk due to their age.

The siblings left their Elk Grove residence (8400 block of Crystal Walk Circle) sometime during the night or early morning. According to another sibling, the two girls were overheard talking about running away yesterday. It is believed that the two girls were possibly heading to a relative's house in Sacramento. Victoria Keller is described as an African-American female juvenile, 4'11", 89 lbs., with brown hair and brown eyes. She was last seen wearing a pink t-shirt, blue shorts with her hair in two ponytails. Destiny Keller is described as an African-American female juvenile, 5'0", 135 lbs., with brown hair and brown eyes. She was last seen wearing a red or gray t-shirt with blue denim shorts.

The Elk Grove Police Department received information from the California Highway Patrol that they had received several calls about two juveniles walking on Hwy 99 near Bond Rd. this morning at 7:30 a.m. CHP checked the area but were unable to locate the juveniles. Another caller to CHP indicated that the girls had been picked up by a passing motorist and dropped off near Stockton Blvd. and Mack Rd. The Sacramento Police Department dispatched an officer to check for the juveniles, but they were not located.

At this time, the whereabouts of Victoria and Destiny Keller is unknown. Anyone with information regarding their location is asked to contact the Elk Grove Police Department Communications Center at (916) 714-5115.
