350.4.1 TRAINING OFFICERS

Officers of this department, who demonstrate a desire and ability to train reserve officers, may train the reserves during Phase II, subject to Watch Commander approval.

350.4.4 COMPLETION OF THE PRIMARY TRAINING PHASE

The Primary Training Phase (Phase I) shall consist of 160 hours of training. At the completion of the Primary Training Phase, (Phase I) the primary training officer will meet with the Reserve Coordinator. The purpose of this meeting is to discuss the progress of the reserve officer in training.

If the reserve officer has progressed satisfactorily, he/she will then proceed to Phase II of the training. If he/she has not progressed satisfactorily, the Reserve Coordinator will determine the appropriate action to be taken.

350.4.5 SECONDARY TRAINING PHASE

The Secondary Training Phase (Phase II) shall consist of 100 hours of additional on-duty training. The reserve officer will no longer be required to ride with his/her primary training officer. The reserve officer may now ride with any officer designated by the Watch Commander.

During Phase II of training, as with Phase I, the reserve officer's performance will be closely monitored. In addition, rapid progress should continue towards the completion of the Officer's Field Training Manual. At the completion of Phase II of training, the reserve officer will return to his/her primary training officer for Phase III of the training.

350.4.6 THIRD TRAINING PHASE

Phase III of training shall consist of 24 hours of additional on-duty training. For this training phase, the reserve officer will return to his/her original primary training officer. During this phase, the training officer will evaluate the reserve officer for suitability to graduate from the formal training program.

At the completion of Phase III training, the primary training officer will meet with the Reserve Coordinator. Based upon the reserve officer's evaluations, plus input from the primary training officer, the Reserve Coordinator shall decide if the reserve officer has satisfactorily completed his/her formal training. If the reserve officer has progressed satisfactorily, he/she will then graduate from the formal training process. If his/her progress is not satisfactory, the Reserve Coordinator will decide upon the appropriate action to be taken.

350.4.7 COMPLETION OF THE FORMAL TRAINING PROCESS

When a reserve officer has satisfactorily completed all three phases of formal training, he/she will have had a minimum of 284 hours of on-duty training. He/she will no longer be required to ride with a reserve training officer. The reserve officer may now be assigned to ride with any officer for the remaining 200-hour requirement for a total of 484 hours before being considered for relief of immediate supervision.

instruction with a Field Training Officer (FTO) and the satisfactory completion of the Elk Grove Police Department Field Training Guide.

Level I Reserve Police Officers will receive daily performance evaluations from their assigned FTO and must demonstrate competency in all evaluated areas before being finalized from the program.

Level I Reserve Police Officers who have previously completed a POST approved Field Training Program, either with the Elk Grove Police Department or another agency, may be exempt from this Field Training requirement. They may instead be asked to complete a modified program to demonstrate competency.

350.4.9 FIELD TRAINING REQUIREMENTS-LEVEL II RESERVE OFFICERS

Level II Reserve Police Officers when in patrol are required by POST to be under the immediate supervision of a full-time peace officer. There are no POST requirements regarding a field training program because of this required supervision.

The Elk Grove Police Department requires all Level II Reserve Police Officers to complete a modified Field Training Program that consists of a minimum of 60 hours of training with a Field Training Officer. The Level II Reserve shall also complete an abbreviated training guide to demonstrate a basic understanding in the areas of department policies, report writing, orientation to the City, use of the patrol vehicle radio and computer, and patrol procedures.

The required 60 hours of training shall be completed within the first six months after being hired as a Reserve Level II Police Officer.

350.4.10 FIELD TRAINING REQUIREMENTS-LEVEL III RESERVE OFFICERS

Level III Reserve Police Officers may perform limited support duties within the Elk Grove Police Department that do not require general law enforcement powers during the performance of their duties. As Level III Reserves do not perform patrol duties there is no requirement for a Field Training Program.

Training for Level III Reserve Police Officers shall consist of that necessary for the officer to demonstrate a basic understanding of the tasks assigned.

350.4.11 RIDE-A-LONG REQUESTS

Level I Reserve Officers shall work a minimum of 16 hours each month to maintain their active status as a Level I Reserve. The 16 hours may be worked in patrol or in other work assignments, including some paid assignments.

Level II Reserve Officers do not have established minimum hours that they must work, however active status will be determined by the Elk Grove Police Department based on the officer's work history. It is recommended that the Level II Reserve Officers work an average of 8-16 hours each month.

Level I, II and III Reserve Officers wishing to work a patrol shift while in training shall contact the supervisor on the shift they are requesting. The Reserve Officer will advise the shift supervisor that they are in training and need to ride with a Field Training Officer. The shift supervisor shall

have the authority to approve or deny the request based on the availability of an FTO or any other staffing or work concerns.

A ride request may also be made through the shift Watch Commander if the Patrol Supervisor is unavailable.

All requests to ride will be made with no less than 24 hours notice prior to the beginning of the requested shift.

Level I and Level II Reserve Officers that are not currently in training shall follow the same protocols for requesting a shift in patrol; however it is not necessary to request a Field Training Officer. Finalized Reserve Officers may ride with any full-time patrol officer who is not currently in the Field Training Program.

350.5 SUPERVISION OF RESERVE OFFICERS

Reserve officers who have attained the status of Level II shall be under the immediate supervision of a regular sworn officer (Penal Code 832.6). The immediate supervision requirement shall also continue for reserve officers who have attained Level I status unless special authorization is received from the Reserve Coordinator with the approval of the Division Commander.

350.5.1 SPECIAL AUTHORIZATION REQUIREMENTS

Reserve officers certified as Level I may, with prior authorization of the Reserve Coordinator and on approval of the Division Commander, be relieved of the "immediate supervision" requirement. Level I reserve officers may function under the authority of Penal Code § 832.6(a)(1) only for the duration of the assignment or purpose for which the authorization was granted.

In the absence of the Reserve Coordinator and the Division Commander, the Watch Commander may assign a certified Level I reserve officer to function under the authority of Penal Code § 832.6(a)(1) for specific purposes and duration.

350.5.2 RESERVE OFFICER MEETINGS

350.5.3 IDENTIFICATION OF RESERVE OFFICERS

The identification card will be the standard identification card with the exception that "Reserve" will be indicated on the card.

350.5.4 UNIFORM

Reserve officers shall conform to all uniform regulation and appearance standards of this department.

350.5.5 INVESTIGATIONS AND COMPLAINTS

If a reserve officer has a complaint made against him/her or becomes involved in an internal investigation, that complaint or internal investigation may be investigated by the Reserve Coordinator, at the discretion of the Patrol Division Commander.

Reserve officers are considered at-will employees. Government Code § 3300 et seq. applies to reserve officers with the exception that the right to hearing is limited to the opportunity to clear their name.

Any disciplinary action that may have to be administered to a reserve officer shall be accomplished as outlined in the Policy Manual.

350.5.6 RESERVE OFFICER EVALUATIONS

While in training reserves will be continuously evaluated using standardized daily and weekly observation reports. The reserve will be considered a trainee until all of the training phases have been completed. Reserves having completed their field training will be evaluated annually using performance dimensions applicable to the duties and authorities granted to that reserve.

350.6 FIREARMS REQUIREMENTS

Penal Code § 830.6(a)(1) designates a reserve officer as having peace officer powers during his/her assigned tour of duty, provided the reserve officer qualifies or falls within the provisions of Penal Code § 832.6.

350.6.1 CARRYING WEAPON ON DUTY

Penal Code § 830.6(a)(1) permits qualified reserve officers to carry a loaded firearm while on-duty. It is the policy of this department to allow reserves to carry firearms only while on-duty or to and from duty.

350.6.2 CONCEALED FIREARMS PROHIBITED

No reserve officer will be permitted to carry a concealed firearm while in an off-duty capacity, other than to and from work, except those reserve officers who possess a valid CCW permit. An instance may arise where a reserve officer is assigned to a plainclothes detail for his/her assigned tour of duty. Under these circumstances, the reserve officer may be permitted to carry a weapon more suited to the assignment with the knowledge and approval of the supervisor in charge of the detail.

Any reserve officer who is permitted to carry a firearm other than the assigned duty weapon may do so only after verifying that the weapon conforms to departmental standards. The weapon must be registered by the reserve officer and be inspected and certified as fit for service by a departmental armorer.

Before being allowed to carry any optional firearm during an assigned tour of duty, the reserve officer shall have demonstrated his/her proficiency with said weapon.

When a reserve officer has satisfactorily completed all three phases of training (as outlined in the Field Training section), he/she may be issued a permit to carry a concealed weapon. The decision to issue a concealed weapon permit will be made by the Chief of Police with input from

the Reserve Program Coordinator and administrative staff. In issuing a concealed weapon permit a reserve officer's qualification will be individually judged. A reserve officer's dedication to the program and demonstrated maturity, among other factors, will be considered before a concealed weapon permit will be issued. Once issued, the concealed weapon permit will be valid only for as long as the reserve officer remains in good standing as a Reserve Officer with the Elk Grove Police Department.

350.6.3 RESERVE OFFICER FIREARM TRAINING

All reserve officers are required to maintain proficiency with firearms used in the course of their assignments. Reserve officers shall comply with all areas of the firearms training section of the Policy Manual, with the following exceptions:

- (a) Should a reserve officer fail to qualify over a two-month period, that reserve officer will not be allowed to carry a firearm until he/she has reestablished his/her proficiency

350.7 EMERGENCY CALL-OUT FOR RESERVE PERSONNEL

The Reserve Coordinator shall develop a plan outlining an emergency call-out procedure for reserve personnel.

350.8 CONTINUED PROFESSIONAL DEVELOPMENT TRAINING

All reserve officers shall maintain current on mandated training and when reasonably possible receive the same continued professional development training given to all sworn officers.
