

NATIONAL NIGHT OUT 2004!

Do you know your neighbors?

Don't let crime take over your neighborhood!

Let's fight back during "National Night Out"!

Tuesday, August 3, 2004

Welcome to National Night Out! Many neighborhoods throughout the country throw anti-crime block parties as a way of getting residents to rally against crime and become active in crime prevention. How will your neighborhood do it?

The Elk Grove Police Department would like to visit your neighborhood block party on Tuesday, August 3, 2004. If you and your neighbors would like a visit from the Police Department, please complete the entry form below. Return the completed form to your Crime Prevention Specialist at the return address listed on the other side of this form. Entries must be received **no later** than Tuesday, July 23, 2004.

Get involved....Neighborhood Watch is what you make it!

Most parties begin at 6:30 pm and end at about 9 pm. This gives members of the Police Department time to appear at every party.
